FIELD EVENTS

- Each school will consist of 2 competitors that will have their throws or jumps in a certain order (as per programme).
- At the completion of the event all 12 competitors will be awarded a place from 1 – 12.
- The two competitors place numbers will be added to give a TOTAL score (or place).
- The lowest total score will then be awarded the 9 Championship points, Second lowest awarded 8 points and so on down to 4 points for the highest combined total.
- Where two schools may have the same combined total then the Championship points are split (i.e. 8 & 7 points for 2nd and 3rd) will be awarded 7.5 points each.
- To determine the initial team score given to each school, prior to awarding Championship points, equal places where they cannot be split by judges, will be given that exact score as the place awarded i.e. equal 10th place between two athletes is given 10 and 10 – not averaged ($10 + 10$ divided by 2) and awarded 10.5 and 10.5.

Note – If any competitor(s) fails to jump the starting height (High Jump) or is fouled without being given a distance in throws and Long Jump, then they will be awarded last place (12th) and NOT disqualified.

TRACK EVENTS

100m, 200m, 400m, 800m,
Hurdles

- For a Championship race, competitors are awarded 9, 8, 7, 6, 5, 4 for first to sixth place.
- For a Division race, competitors are awarded 6, 5, 4, 3, 2, 1 point for first to sixth place.

1500m

- Will consist of two competitors from each school.
- The first competitor from each school is awarded Championship points (even if they finish behind a second placed competitor from the same school).
- The second placed competitor from each school is awarded Division points.

3000m

- Will consist of four competitors from each school.
- Each competitor will be given a placing by the judges from 1 – 24.
- The best 3 runners from each school are then totalled to give a final TOTAL.
- The lowest TOTAL team score is given first place, second lowest awarded 2nd etc...
- Championship points are then awarded from 9 – 4 points.
- Two sets of points will be allocated to this event. One is a Team event and the other being an Individual event.

Relays

- Relays are awarded Championship points 9 – 4
- If a team does not finish or is disqualified then zero points are awarded.

Note - If a competitor is disqualified, they are given zero (0) points – NOT points for last.

Following the Final Event,
Mr P Heath will present
the Andrew Reid
Athletics Challenge Cup
to the winning school.
